

5-YEAR GUARANTEE

Pinion offers 5-year guarantee on gearbox technology

Since 2012, Pinion shift gearboxes have stood for maximum comfort, durability, low maintenance and precision. Each gearbox is developed, manufactured and extensively tested in Germany.

The Pinion guarantee is unique: No other gear manufacturer grants a longer guarantee on gearboxes than Pinion. The guarantee is gearbox-related. The guarantee is also transferred if the Pinion bike is resold.

Guarantee for P-Line gearboxes

A 5-year guarantee is included with P-Line gearboxes.

It applies for five years from the date of purchase and is retroactive for all gearboxes which have been supplied since 2012.
